2016 LODI
ESTATE GROWN
PETITE SIRAH

2016 Lodi Estate Grown Petite Sirah

VINEYARDS

The vineyards for the Mettler Petite Sirah are organically and sustainably grown in the Mokelumne River sub-appellation. This is the historical center of the Lodi wine region and where most of the Mettler Vineyards are planted. Referred to by some as "Old Lodi" and is known for its sandy soils.

TASTING NOTES

The Mettler 2016 Petite Sirah exudes elegance and grace. True to its varietal heritage, the color is opaque and deep purple. Soft aromas of dark berries, plum and oak are sultry and inviting. As it unfolds on the palate, it delivers a beautiful swirl of concentrated berry flavors with notes of dark honey, plum, violet and baking spices. Well-integrated tannins create a bold backdrop for the beautifully lush texture, and carry the flavors through the lingering finish.
