OLD VINE
ZINFANDEL

2016 Lodi Estate Grown Zinfandel

VINEYARDS

The vineyards for the Mettler Zinfandel are organically and sustainably grown in the Mokelumne River sub-appellation. This is the historical center of the Lodi wine region and where most of the Mettler Vineyards are planted. Referred to by some as "Old Lodi," it's known for its sandy soils and celebrated for old vine zinfandel.

TASTING NOTES

The 2016 Mettler Zinfandel entices with earthy and smoky aromas followed by those of plum, blackberry and blueberry. The complex medley of flavors include dark berries, vanilla and herbs with a hint of black pepper. The sturdy but softly integrated tannins yield to subtle oak notes as the wine lingers on the palate and a light touch of acidity creates balance and elegance.
