2018 LODI  
ESTATE GROWN  
PETITE SIRAH

# 2018 Lodi Estate Grown Petite Sirah

## VINEYARDS

*The vineyards for the Mettler Petite Sirah are grown in the Mokelumne River sub-appellation. This is the historical center of the Lodi wine region and where most of the Mettler Vineyards are planted. It is known for its well-drained, sandy soils. Our vineyards are certified through the Lodi Rules for sustainable winegrowing.*

## TASTING NOTES

*The Mettler 2018 Petite Sirah exudes soft aromas of dark berries, plum and oak that are sultry and inviting. As it unfolds on the palate, it delivers a beautiful swirl of intense and concentrated fruit flavors with notes of blueberry, plum, violet and dark honey. Well-integrated tannins create a bold backdrop for the beautifully lush texture.*
