2018 LODI  
ESTATE GROWN  
CABERNET  
SAUVIGNON

# 2018 Lodi Estate Grown Cabernet Sauvignon

## VINEYARDS

*The grapes chosen for this wine came from four of our outstanding blocks of Cabernet—all of which are sustainably farmed and planted from unique French clones. For each vineyard, the planting and trellis system were customized for the vineyard site. Our vineyards are certified through the Lodi Rules for sustainable winegrowing.*

## TASTING NOTES

*Our 2018 Cabernet Sauvignon opens with inviting aromas of dark cherry, toast, cedar and nutmeg. The delightful blend of dark cherry and plum flavors are fresh with a whisper of vanilla. A soft and velvety mid-palate features moderate tannins and just the right amount of lifted acidity, and the long finish is reminiscent of a fine Bordeaux.*
